INDIVIDUAL	FEEDBACK	DOC RESPONSE
Stuart Gladding	<p>Suggest the title be changed to Gender Identification, Care, and Custody – Facility.</p> <p>The Directive is written specifically for facilities. The terminology used, staff roles, intake process, and forms are all facility specific. In the Directive there are numerous references just to the DOC. The suggested name change would avoid potential confusion/conflict over differing practices between facilities and the field.</p> <p>This is an extremely well written Directive.</p>	<p>While aspects of this directive are facility focused it provides the Department's policies towards LGBTQI inmates and/or offenders and therefore impacts the field aswell. This can be best emphasized by the respectful communicaiton section.</p>
David Turner	<p>c. LGBTQI inmates will not be placed in segregation housing due to the sole purpose of their gender identity or status. Transgender and intersex inmates who are placed in administrative segregation or other special management housing for their safety and security shall adhere to DOC policy 410.06.</p> <p>Should also include 410.03 (administrative segregation)</p>	<p>Agreed, this citation was added.</p>

David Turner	<p>ix. LGBTQI inmates can make informal requests to staff, or utilize the grievance system to express issues concerning privacy concerns, housing, factors related to the inmate's emotional and physical well-being, and the inmate's self-evaluation of his or her safety.</p> <p>Just typo and wording: can and issues concerning privacy concerns. Would read better as issues concerning privacy.</p>	This typo was fixed.
