<b>INDIVIDUAL</b>	<b>FEEDBACK</b>	<b>DOC RESPONSE</b>
Judy Brassard	<p>I would like to offer some comments/feedback</p> <ol style="list-style-type: none"> <li>1. I would like to see doc be a party at the beginning of this process to determine whether YO is appropriate</li> <li>2. Some cases are coming through from YO after the youth are 18 and some attorneys are treating the cases like psi's and wanting to be present when the youth is interviewed, etc.</li> <li>3. I do not feel it is appropriate for sex offenders to be yo's</li> </ol> <p>Thank-you</p>	<ol style="list-style-type: none"> <li>1. Agreed; adjustments will be made to include the DOC at the earliest possible step.</li> <li>2. Attorneys are able to be present for interviews</li> <li>3. Both DCF and DOC disagree and believe that this should remain an option.</li> </ol>
