1	Directive	1	4-5	Is this an accurate statement? "Additionally, this policy ensures that the voting rights of inmates in custody of the DOC are protected per Vermont Law"...	Re-worked language.
2	Directive	1	9	"...to take advantage of the unique opportunity they are provided" how about "as well as encourage inmates to vote"?	Changed.
3	Directive	1	22	"...qualified to vote in the state of Vermont"...just say "qualified to vote"...as OOS inmates are included and they are not "in the state of Vermont".	Changed.
4	Directive	1	22-23	I believe any necessary procedures to ensure the right to vote come from Central Office - wether through the Law Library or Vol. Services. We will end up with 7 different processes (8 with OOS).	I agree; that has been changed.
