NEASC Review: Mission, Curriculum, Program

Discussed proposed updated mission: *Community High School of Vermont assists adult students in developing personalized learning plans and provides coordinated learning opportunities that address educational and criminogenic needs to strengthen student skills in living, learning, and working.*

Discussed the need to get completed surveys from students for NEASC.

At the next faculty meeting, on December 12th, there will be work on Mission, Curriculum, and Programs during the morning, as well as groups of three or four working on Standards.

Respectfully Submitted,

Sheila Sayah
