In-State Incarcerated Individuals Release Report 1/1/2022 - 11/30/2022

This report includes all incarcerated individuals who have been released from Vermont in-state correctional facilities for the date range listed above. An individual may be incarcerated more than once during this time; moreover, multiple releases for the same arrest are not included in this report. Only incarcerated individuals' first release is included in the report. See below and the next page for an explanation of the information contained in this report.

Releasing Individuals from Incarceration:

Convicted individuals are sentenced to serve a minimum and maximum term by the court for each crime they commit. Individuals may be housed past their minimum release date but must be released by their maximum release date. Individuals with a "sentenced only" booking status (without detained, hold status) are eligible for release by the authority of the Commissioner of Corrections. All other booking statuses require action by another authority (such as the court) for release. See below for explanations of why an individual might be released from incarceration and the booking status(es) to which this reason might apply.

Bail Paid: Released from incarceration due to paying required bail amount (Detained status)

Court Order: Released from incarceration by authority of the court (Detained status)

Reached Maximum Release Date: Reached maximum release date and is released into the community, no longer under DOC supervision (Sentenced & Detained statuses)

Released to Community Supervision: Released from incarceration, but still supervised by the DOC via a probation & parole office (Sentenced & Detained statuses)

Released to US Marshals/Other State: Released to US Marshals/other authority (Hold Status)

All other booking statuses require action by another authority (e.g. the court), to release a person from incarceration.

Crime Types:

Incarcerated individuals are classified into different Crime Types based on the most serious crime for which they are sentenced, detained, or held. For example, 01:Fel./Serious. The number (e.g., 01) indicates the severity of the crime ranked from 01-11 from most severe to least severe. Next, the Crime Type displays whether the most serious crime was a felony (Fel.) or misdemeanor (Misd.). Finally, the category of crime is provided (e.g., Serious). See below for examples of each Crime Type. Each individual is counted once in the crime type data.

Crime Type Examples:

- 01:Fel./Serious:** Aggravated Assault, Aggravated Sexual Assault, Murder
