In-State Inmate Release Report 1/1/20-6/30/20

This report includes all inmates who have been released from Vermont in-state correctional facilities for the date range listed above. An inmate may be incarcerated more than once during this time; however, only the inmate's first release is included in the report. See below and the next page for an explanation of the information contained in this report.

Releasing Inmates from Incarceration:

Convicted offenders are sentenced to serve a minimum and maximum term by the court for each crime they commit. Inmates may be housed past their minimum release date but must be released by their maximum release date. Inmates with a "sentenced only" booking status (without detained, hold status) are eligible for release by the authority of the Commissioner of Corrections. All other booking statuses require action by another authority (such as the court) for release. See below for explanations of why an inmate might be released from incarceration and the booking status(es) to which this reason might apply.

Bail Paid: Released from incarceration due to paying required bail amount (Detained status)

Court Order: Released from incarceration by authority of the court (Detained status)

Reached Maximum Release Date: Inmate reached maximum release date and is released into the community, no longer under DOC supervision (Sentenced & Detained statuses)

Released to Community Supervision: Released from incarceration, but still supervised by the DOC via a probation & parole office (Sentenced & Detained statuses)

Released to US Marshals/Other State: Inmate released to US Marshals/other authority (Hold Status)

-Sentenced/Detained: convicted of crime(s) and held pre-trial for other crime(s)

-Sentenced W/Hold: convicted of crime(s) and held for US Marshals or other jurisdiction

All other booking statuses require action by another authority (e.g. the court), to release a person from incarceration.

Crime Types:

Inmates are classified into different Crime Types based on the most serious crime for which they are sentenced, detained, or held. For example, 01:Fel./Serious. The number (e.g., 01) indicates the severity of the crime ranked from 01-11 from most severe to least severe. Next, the Crime Type displays whether the most serious crime was a felony (Fel.) or misdemeanor (Misd.). Finally, the category of crime is provided (e.g., Serious). See below for examples of each Crime Type. Each inmate is counted once in the crime type data.
