- b. **Immunocompromised:** Having an impaired immune system as diagnosed by a medical provider.
- c. **Close contact:** Suspected exposure through close contact per VDH guidance to [someone with COVID-19](#) outside of the workplace. Close contact as defined:
  1. You were within 6 feet of someone who has COVID-19 for a total of 15 minutes or more
  2. You provided care at home to someone who is sick with COVID-19

3. You had direct physical contact with a person with COVID-19 (hugged or kissed them).
4. You shared eating or drinking utensils with a person with COVID-19
5. A person with COVID-19 sneezed, coughed, or somehow got respiratory droplets on you.

## Section 1 – Staff

### i. Mask Requirement

Pursuant to S.1, An Act Relating to Temporary Municipal Rules in Response to COVID-19, all staff must be in compliance with local municipal mask mandates while on duty.

### ii. Immunocompromised Staff

1. If any staff feel they are immunocompromised, it is their responsibility to pursue accommodations through human resources.
2. If you believe you are disabled in accordance with the Americans with Disabilities Act and can still perform the essential functions of your position, with or without a reasonable accommodation, you may request an accommodation in accordance with State of Vermont Policy 3.2 – Reasonable Accommodation: [Number\\_3.2\\_REASONABLE\\_ACCOMMODATION.pdf](#) ([vermont.gov](http://vermont.gov))

### iii. Staff Close Contact

2. Staff who are fully vaccinated with no symptoms will not be excluded from work.
3. Staff who have been fully vaccinated and are exhibiting symptoms consistent with COVID WILL BE excluded from work and required to test as soon as possible.
4. Staff who are fully vaccinated and continue to exhibit symptoms following a negative COVID test should follow up with their medical provider to receive return to work guidance.
5. If it is determined that a work-related exposure has occurred, the involved staff are to be prepared to speak with a contact tracer and provide their vaccine status and a copy of their vaccination card if requested.

6. Staff who are not fully vaccinated, will be excluded from work pending review by RRT.

7. Staff who are unattested and determined to be a close contact and are asymptomatic can return to work after a PCR test which has been taking on day 7 following the contact and negative results received.

iv. Staff Diagnosed with COVID-19

1. Staff who have confirmed COVID-19 should refer to Section 4 for specific return to work criteria.
2. They should contact their medical provider and may not return to work while symptomatic.
3. Each district manager will ensure information is tracked regarding any employee that is sick or in-home quarantine.

## Section 2 – Transports

1. Any offender being transported by field staff must wear a mask.
2. Staff conducting transports will wear masks.

## Section 3 - Field Contact Tracing

1. Each field office will have a designated “contact tracer” who has completed the online training listed below:
