VT Department of Corrections: Race Report 3/31/2023

This report contains point-in-time analyses that are up-to-date as of 8pm on the date listed. The analyses provided in this report contain in-depth breakdowns by race across the following reports:

- Population Report
- Violent Crime Report
- Minimum Release Report

Race Data:

In this report, race data are categorized as follows:
-American Indian/ Alaskan Native: "AmerIndian/ AlaskanNative"
-Asian/ Pacific Islander: "Asian/ PacIslander"
-Black or African American: "Black"
-White: "White"
-Some Other Race: "Other"

Some race categories are combined due to the low number of individuals who identify with these races. In some instances, individuals who identify as American Indian/Alaskan Native, Asian, Black or African American, Pacific Islander, and/or Some Other Race were combined and indicated by the acronym "BIPOC", which means Black, Indigenous, and people of color.

Hispanic, Latinx, or Spanish Identification is captured with a separate yes/no identification.

Both Race and Hispanic, Latinx, or Spanish Identification require a selection.

Booking Statuses:

The following list describes the booking status for individuals incarcerated in VT correctional facilities (either in-state or out-of-state). Booking Status indicates the individual's circumstance relative to their court case.

Sentenced Statuses:
- Sentenced: convicted of crime(s)
-Sentenced/Detained: convicted of crime(s) and held pre-trial for other crime(s)
-Sentenced W/Hold: convicted of crime(s) and held for US Marshals or other jurisdiction
-Sentenced/Detained W/Hold: (rare) convicted of crime(s), held pre-trial for other crime(s), and held for US Marshals or other jurisdiction

Detained Statuses:
-Detained: awaiting conviction for crime(s)
-Detained W/Hold: awaiting conviction for crime(s) and held for US Marshals or other jurisdiction

Hold Status:
Hold: being held for US Marshals or other jurisdiction

NOTE: Individuals in each booking status are considered in the custody of the Commissioner of Corrections. The Commissioner has authority to make release decisions for incarcerated individuals with a "sentenced only" booking status consistent with the law and when taking public safety into consideration. All other booking statuses require action by another authority (e.g. the court) to release a person from incarceration.

Releasing Individuals from Incarceration:

Convicted individuals are sentenced to serve a minimum and maximum term by the court for each crime they commit. Individuals may be housed past their minimum release date but must be released by their maximum release date. Individuals with a "sentenced only" booking status (without detained, hold status) are eligible for release by the authority of the Commissioner of Corrections. All other booking statuses require action by another authority (such as the court) for release. See below for explanations of why an individual might be released from incarceration and the booking status(es) to which this reason might apply.

Bail Paid: Released from incarceration due to paying required bail amount (Detained status)

Court Order: Released from incarceration by authority of the court (Detained status)

Reached Maximum Release Date: Reached maximum release date and is released into the community, no longer under DOC supervision (Sentenced & Detained statuses)

Released to Community Supervision: Released from incarceration, but still supervised by the DOC via a probation & parole office (Sentenced & Detained statuses)

Released to US Marshals/Other State: Released to US Marshals/other authority (Hold Status)

Crime Types

Incarcerated individuals are classified into different Crime Types based on the most serious crime for which they are sentenced, detained, or held. For example, 01:Fel./Serious. The number (e.g., 01) indicates the severity of the crime ranked from 01-11 from most severe to least severe. Next, the Crime Type displays whether the most serious crime was a felony (Fel.) or misdemeanor (Misd.). Finally, the category of crime is provided (e.g., Serious). See below for examples of each Crime Type. Each individual is counted once in the crime type data.

Crime Type Examples:
01:Fel./Serious: Aggravated Assault, Aggravated Sexual Assault, Murder
02:Fel./Person: Assault and Robbery, Lewd and Lascivious
03:Fel./Property: Burglary Occupied, Grand Larceny, Arson
04:Fel./Drug: Dealing, Trafficking, Possession and Sale
05:Fel./MotorV: DUI 3 or more
06:Fel./Other: Obstruction of Justice, Fugitive
07:Misd./Person: Domestic Assault, Simple Assault
08:Misd./Property: Unlawful Trespass, Retail Theft
09:Misd./Drug: Possession of drugs
10:Misd./MotorV: Careless and Negligent Operation
11:Misd./Other: Violations Conditions of Release

Risk to Reoffend:

The VT DOC utilizes the Ohio Risk Assessment System (ORAS) to determine an offender's risk to reoffend or commit another crime. This measure is used for individuals being housed in correctional facilities and those under community supervision. The department uses the following instruments:

Prison Intake Took (PIT):

Provided to all incarcerated individuals sentenced to a year or longer in a correctional facility. Informs risk reduction programming (RRP) eligibility. 4 levels of risk, with scores varying by gender: Low, Moderate, High, Very High

Community Supervision Tool (CST):

Administered to offenders under community supervision: within 2 weeks of intake, 3 months after release from incarceration to community supervision, and/or annually and/or upon significant changes in community status. 4 levels of risk, with scores varying by gender: Low, Moderate, High, Very High

Reentry Tools:

Administered to incarcerated individuals sentenced to a year or longer. Provided within 6-8 weeks before being released to the community. 3 levels of risk, with scores varying by gender: Low, Moderate, High

Violent Crime Status:

Offenders convicted of one or more statutorily listed offenses outlined in 13 VSA §5301 are deemed to have committed a violent crime, referred to as "listed" in our system. Examples of violent (or listed) crimes include but are not limited to: murder, aggravated assault, sexual assault, burglary, driving under the influence, sale or delivery of illicit drugs. This report uses the "listed" crimes as proxy for violent crimes.

Due to the nature of these crimes, special consideration toward victims is required in release decision making. Committing a violent crime does not always directly correlate with an offender's risk to reoffend.

Incarcerating Individuals Past Minimum Release Reasons:

Convicted offenders are sentenced to serve a minimum and maximum term by the court for each crime they commit. Individuals may be housed past their minimum release date but must be released by their maximum release date. Individuals with a "sentenced only" booking status (without detained, hold status) are eligible for release by the authority of the Commissioner of Corrections. All other booking statuses require action by another authority (such as the court) for release. See below for explanations/examples of reasons why someone might be housed past their minimum release date.

Furlough Violation/Inappropriate for Furlough: Returned from community supervision for a fixed length of time due to a technical violation, or "interrupting" release to furlough due to individual's behavior/risk to community

Graduated Sanction: Short term incarceration in response to technical violations that allow for continuation in completing community sentence

Hold for US Marshals/Other State: Held in VT facilities until under appropriate federal/state jurisdiction

Incomplete Programming: Required programming in progress, pending start, or termination/suspension due to behavior issues

Lack of Housing: No appropriate housing upon entry into the community

Pending Other Charge(s): Ex: Violation of supervision that results in new charge

Refusing Furlough/Mandated Services: Refusing services required by sentence or furlough placement

Scheduled for Release at Max Date: Due to concerns for safety of community, scheduled to release at maximum end date

Violent Crime/Inappropriate for Release: Offenders who committed violent crime(s) and are unsafe for release to community

Gender Data:

In this report, gender data are categorized as follows:

-Cisgender Female: Sex female, identifies female ("Female")
-Cisgender Male: Sex male, identifies male ("Male")
-Transgender Female: Sex male, identifies female ("Transgender")
-Transgender Male: Sex female, identifies male ("Transgender")
-Intersex: A term referring to people who have physical markers that differ from the medical definitions of male or female ("Intersex")
-Other: Individuals who do not identify with any of the above gender categories ("Other")

NOTE: Transgender Female, Transgender Male, Intersex, and Other were combined into one category: "Transgender/Other" for this report due to low numbers of individuals who identify with these genders.

*Note: Daily Counts are accurate as of 8pm on the date listed.

The information in the figure above provides the months incarcerated individuals have from their minimum release sentence date. This information is presented linearly. Thus, those who are past their minimum release are presented on the left. All the information presented to the right of those Past Min Release are not yet to their minimum release date. See page 6 for reasons why an incarcerated individual might be held past their minimum release date.

**Due to outliers in the data, a median was used in place of an average for length of segregation placements this month. A median is the middle value in a range of numbers, where 50% of the population falls above this number and 50% of the population falls below this number.
