

## **Report Institutional Sexual Abuse and Sexual Harassment!**

If you have information regarding sexual abuse, sexual harassment or retaliation against any person under the supervision of the Vermont Department of Corrections (VT DOC), please email:

**AHS.DOCPREA@vermont.gov** or call **(802) 241-0070**

Emails to AHS.DOCPREA@vermont.gov and calls to (802)241-0070 are routed to the VT DOC.

If you call during regular business hours your call may be answered by a VT DOC staff member who will ask you a number of questions regarding the allegations.

It is not necessary to identify yourself, but you can leave contact information if you choose.

If your call is placed during non-business hours you will be asked to leave a message that includes as much incident detail as possible:

1. The facility where the alleged abuse occurred
2. The nature of the sexual abuse being reported
3. The names or descriptions of those involved in the alleged abuse
4. Any additional details that will assist the investigation of this incident

The details of all reports of sexual abuse and sexual harassment are forwarded to the Prison Rape Elimination Act (PREA) Office and the Superintendent of the facility where the alleged incident is reported to have occurred.

An investigation will be conducted at the facility. The PREA Office will work with the facility to ensure that all department policies and procedures are followed regarding the incident.
